

TO THE TRAINED EYE ...

FAITH NINIVAGGI PHOTOS / HERALD STAFF

Artist Ellen Harvey is seen in front of her piece 'Network,' which was revealed at South Station's Red Line concourse on Tuesday. Her glass tile mosaic piece blends the history of transportation with women's presence and successes in the field. Secretary and CEO of MassDOT Stephanie Pollack, above, checks out the work, which has three hidden mermaids in the ocean portion of the map.
